

SHINGDA CONSTRUCTION PTE LTD TRACK RECORDS

Year	Client Name	Project Title
2020	Public Utilities Board	Proposed Twin 1800mm and 2200mm Diameter Water Pipelines along Ang Mo Kio Avenue 1 from Upper Thomson Road to Bishan Road
2020	Public Utilities Board	Proposed 1200mm Diameter Potable Water Pipeline along Holland Road and Ulu Pandan Road from Rail Corridor (Murnane Pipeline) to Clementi Road
2020	Public Utilities Board	Proposed 1600mm diameter Water Pipeline along Kaki Bukit Avenue 4, Jalan Tenaga, Bedok Reservoir Road & Eunus Link
2020	Chye Joo Construction Pte Ltd	Supply and Installation of Cement Grout Pile for Construction of Sentul Crescent Extension and Bridge Over Punggol Waterway
2019	Public Utilities Board	Replacement and Rehabilitation of Water Mains
2019	Public Utilities Board	Proposed Replacement of 800/1200mm Diameter Water Mains near Jalan Toa Payoh
2019	Chan & Chan Engineering Pte Ltd	Improvement to Bukit Timah Canal (Between Riffle Range Road and Jalan Kampong Chantek) – Water Main Pipe Diversion Works
2019	Public Utilities Board	Proposed 1600mm Diameter Water Pipeline from Punggol Promenade to Pasir Ris Drive 3
2019	China Railway Group No.5	Design, Supply, Installation, Construction and Completion of Access Manhole Chamber for 1200mm dia Water Pipe at Junction of Ang Mo Kio Ave 4 and 5
2019	CCECC Singapore Pte Ltd	CR1070-Design and Supply Labour, Machinery, Tool to Carry Out Water Main Diversion Works including Coordination and Testing Commissioning to Complete the Whole System
2019	KTC Civil Engineering & Construction Pte Ltd	Relocation of existing 100mm Dia. Fire Hydrant at Tampines Link LP40
2019	Public Utilities Board	Proposed Replacement of 800/1200mm Diameter Water Mains near Jalan Toa Payoh
2019	Public Utilities Board	Replacement and Rehabilitation of Water Mains
2019	Obayashi Singapore Pte Ltd	Raising/ Lowering of the Existing Access Manhole Chamber at Mandai Lake Road
2019	Public Utilities Board	Proposed 1200mm Diameter Pipeline from Proposed Jurong Island Desalination Plant (JIDP) to Existing Network
2018	Woh Hup (Private) Limited	Relocation of Existing Fire Hydrant and NEWater Sluice Valve Chamber at Woodlands Ave 5

2018	Soil-build (Pte.) Ltd.	Relocation of Existing Fire Hydrant (No. 6826) at Bedok Avenue 4
2018	Koon Construction & Transport Co., Pte Ltd	Capping Off the Existing 150mm Dia. Ductile Iron Cement Lining (DACL) Potable Water Pipe at Seletar West Farmway
2018	Presscrete Engineering Pte Ltd	ID2600mm (Approx. OD3050mm) Steel Effluent Discharge Pipe Jacking Works at Turf Club Avenue to Mandai Lake Road
2018	Woh Hup (Private) Limited	Relocation of Existing Fire Hydrant and Raising the Existing Hydrant along Robinson Road
2018	Penta Ocean - Bachy Joint Venture	Supply and Laying of Twin 700mm dia MSCL Water pipeline along Thomson Road
2018	Chye Joo Construction Pte Ltd	Diversion of 900mm MSCL Raw Water Pipe near Kranji Expressway and Pan Island Expressway
2018	National Parks Board	Relocation of Fire Hydrant at Upper Serangoon Road
2018	Samwoh Corporation Pte Ltd	Raising of the Existing Chamber at Ayer Rajah Expressway
2018	Aik Sun Demolition & Engineering Pte Ltd	Supply and install mild steel cement lined (MSCL) fittings for capping off works at Penjuru Road
2018	Quek & Quek Civil Engineering Pte Ltd	Senja/Kranji Expressway (KJE) Interchange Complete Construction of 300mm dia and 2200mm dia Water Pipelines
2018	Koon Construction & Transport Co., Pte Ltd	Supply & lay 200mm Dia. Ductile Iron Cement Lining (DACL) Water Pipe along West Coast Highway
2018	Quek & Quek Civil Engineering Pte Ltd	Supply and lay 500mm,300mm and 100mm Dia. Watermain Diversion along Airport Boulevard at Singapore Changi Airport
2017	Samwoh Corporation Pte Ltd	Supply and Lay 1200mm Diameter Mild Steel Cement Lined (MSCL) Raw Water Pipe Water Pipe Diversion along Mandai Lake Road
2017	Public Utilities Board	Supply, Laying and installation of 1600mm and 800mm Diameter Potable Water Pipeline in Marina South
2017	Aik Sun Demolition & Engineering Ptd Ltd	Supply and Install Mild Steel Cement Lined (MSCL) Fittings for Capping Works at JIWW Penjuru Road
2017	Wan Sheng Hao Construction Pte Ltd	Diversion of Water Pipes for Marina South Drainage
2017	Samwoh Corporation Pte Ltd	Supply and Laying 300mm Dia. Ductile Iron Cement Lining (DACL) and 800/1200mm Dia. Mild Steel Polyurethane Lining(MSPU) Water Pipeline along Jalan Tembusu and Pesawat Estates

2017	Hwa Seng builder Pte Ltd	Chamber Works at KPE/TPE Interchange
2017	Memiontec Pte Ltd	To Supply Skilled Labor, Tools, Equipment & Materials for 1600mm Dia. Mild Steel Cement Lining (MSCL) Specials/Fittings for Dosing/Valve Assembly at Woodleigh Waterworks
2017	Chip Eng Seng Contractors(1988) Pte Ltd	Raise/Lowering Level for The Existing Chamber at Bukit Batok Street 22 (Blk 296A)
2017	Gammon Construction Limited (Singapore Branch)	J26 - Contract T210 Design and Construction of Mayflower Station for Thomson-East Coast Line
2017	Public Utilities Board	Supply and Laying of 900mm / 1200mm / 1400mm Water Pipelines at Bukit Kalang Services Reservoir
2016	Chye Joo Construction Pte Ltd	Process Upgrading at Chao Chu Kang Waterworks Contract 2 - Ozone and Biologically Activated Carbon Facilities and Civil Works
2016	Public Utilities Board	Supply, Laying of 1800mm/1200mm Diameter Potable Water Pipeline along Brickland Road and Bukit Batok Road from Kranji Expressway to Bukit Batok West Avenue 2
2016	Power Engineering Pte Ltd	Supply and Install 200mm Diameter x 100mm Diameter Tee-Off with Fire Hydrant Pillar from Existing 200mm Diameter Hydrant Pipe at T3 Link North
2015	Public Utilities Board	Proposed Diversion of Water Mains from Culvert Across Upper Aljunied Road near Cedar Avenue
2015	Daewoo Engineering & Construction Co. Ltd	Supply & Lay 100 - 900mm Dia Water Utilities Diversion for Thomson Line MRT Project T216 in Singapore
2015	Public Utilities Board	Supply, Laying and Installation of 1200mm Diameter Potable Water Pipeline along Woodleigh Lane and Proposed New Upper Aljunied Road to Joo Seng Road
2015	Public Utilities Board	Supply, Laying and Installation of 1600mm Diameter Potable Water Pipeline from Punggol Way to Punggol Promenade and Along Pasir Ris Drive 3
2015	Public Utilities Board	Supply, Laying and Installation of Water Pipeline Along Kay Siang Road and Dawson Road
2014	Public Utilities Board	Supply, Laying and Installation of 700/800/900 mm Diameter Water Pipelines along Punggol Road, Punggol East and on Bridge near Seletar North Link
2014	Public Utilities Board	Supply, Laying and Installation of 1200mm Diameter Water Pipeline Along Telok Blangah Green and Henderson Road From Mount Faber Service Reservoir To Depot Road
2014	Public Utilities Board	Supply, Laying and Installation of 700mm Diameter Water Pipelines along Yishun Avenue 1 and Canberra Link
2014	Power Gas Ltd	Bulk Excavation, Supply and Laying of Gas Mains & Services & Reinstatement of Road Trenches in Area 4

2014	Quek & Quek Civil Engineering Pte Ltd	Water Mains Diversion at Ulu Pandan Rd, near Clementi Road
2014	Public Utilities Board	Supply, Laying and Installation of 700/800 mm Diameter Water Pipelined along Choa Chu Kang Avenue 1 and West Camp Road
2014	China Railway No. 5 Engineering Group Co., Ltd	Water Mains Diversion at Lentor Station
2014	Thian Siong Construction Pte Ltd	Diversion of 700mm Diameter Water Mains at Tampines Ave 6
2014	Daewoo Engineering & Construction Co. Ltd	External Water Pipe Diversion Works for D'NEST (Parcel 5) Condominium Project at Pasir Ris Grove
2014	Gammon Construction Limited (Singapore Branch)	Design and Construction of Mayflower Station for Thomson Line - Water Pipe Diversion
2014	UOE Hotel Pte Ltd	300mm Diameter Ductile Iron Cement Lining (DACL) Newwater Pipe Diversion Work near Changi Airport Crowne Plaza
2014	Chan & Chan Engineering Pte Ltd	Diversion of 500mm Diameter Ductile Iron Cement Lining (DACL) Water Mains at POB2, Benoi Road
2014	Housing & Development Board	Diversion of Water Pipe at Kaki Bukit Road 4
2014	Housing & Development Board	Diversion of Raw Water Main at Gerald Drive
2013	PowerGas Ltd	Bulk Excavation, Supply and Laying of Gas Mains & Services & Reinstatement of Road Trenches in Area 4
2012	Public Utilities Board	Proposed 700mm Diameter Potable Water Pipeline at 1)Choa Chu Kang / Sungei Kadut Area 2) From End Seletar Road to Ang Mo Kio Ave 5
2012	Public Utilities Board	Supply, Laying and Diversion of 100mm to 1600mm Diameter Ductile Iron and/or Steel Watermains for LTA Projects for Year 2012-2014
2012	Ever San Construction Pte Ltd	Supply, Laying and Diversion of 100mm to 1600mm Diameter Ductile Iron and/or Steel Watermains for LTA Projects for Year 2012-2014 - Subcontract from ES
2012	Changi Airport Group	Supply & Installation of DN300mm Newwater Ductile iron pipe with modulating float valve from B1A gate to the Pump House
2012	Public Utilities Board	Supply, Laying and Diversion of 300mm to 1600mm Diameter Ductile Iron and/ or Steel Watermains in Marine South and City Area
2012	Defence Science & Technology Agency	Construction of New Pumping Main at Kranji

2012	Dnata Singapore Pte Ltd	Proposed Road Works at DNATA Cargo Centre
2011	Changi Airport Group	Replacement of Ageing Industrial Valves and Pipes Carrying NEWater at Singapore Changi Airport
2011	Chip Yew Construction Pte Ltd	NEWater Infrastructure Plan Extension - Contract 3
2011	Public Utilities Board	Design and Construction of New Inlet and Outlet Pipelines to Replace the Existing Pipes at Fort Canning Service Reservoir
2011	Public Utilities Board	Supply and Installation of 800mm, 700mm, 500mm & 300mm Diameter NEWater Pipelines in Jurong / Tuas Areas and Jurong Island - Contract 4
2011	Public Utilities Board	Diversion of Water Pipes at Jalan Buroh and Jurong Industrial Waterworks (Inclusive of Demolition & Land Restoration Works of Jalan Buroh Service Reservoir)
2011	Changi International Airport Services Pte Ltd	Connection of Hydrant Line at CIAS Cargo Centre, Singapore Changi Airport
2011	Changi International Airport Services Pte Ltd	Proposed Installation of New 150mm Diameter Potable Water Pipeline at CIAS Centre, Singapore Changi Airport
2011	Changi Airport Group	Site Investigation Works and Laboratory Tests Involving Existing Underground Watermains at Singapore Changi Airport.
2010	Public Utilities Board	NEWater Infrastructure Plan (NIP) - NEWater Pipeline Extension Along Ayer Rajah Expressway to IPU Discharge Point
2010	Changi Airport Group	Replacement of Potable Water Valves at Singapore Changi Airport
2010	Public Utilities Board	Supply, Laying and Diversion of 500mm to 1600mm Diameter Steel Watermains for LTA / MRT Projects 2010 - 2012
2009	Public Utilities Board	Extension of the Industrial Water Network to Jurong Island Contract 1A - Laying of a 900mm Dia Industrial Water Pipeline along Pioneer Road and Jalan Buroh
2009	WEC Engineers & Constructors Pte Ltd	Proposed 2200mmØ Overcrossing Pipeline at Changi Collector Drain 2 and 6m wide abutting CWRP
2009	Public Utilities Board	Supply, Laying and Commissioning of 1200mm / 900mm Diameter Water Pipeline Along Bedok North Road, Kaki Bukit Avenue 5 and Kaki Bukit Road 5
2008	Public Utilities Board	NEWater Infrastructure Plan (NIP) Contract 09 - Laying of a 1200mm Diameter NEWater Pipeline from Mandai Road to Woodlands Service Reservoir
2008	Public Utilities Board	NEWater Infrastructure Plan (NIP) Contract 06 - Laying of 2200mm diameter NEWater and 1800mm diameter Potable Water Pipelines from Seletar NEWater Factory to Mandai Road

2008	PowerGas Ltd	Bulk Excavation, Supply & Laying of Gas Mains & Services & Reinstatement of Road Trenches in Area 1
2008	Public Utilities Board	Modification and Extension of Pipelines in Jurong Area/Jurong Island – Contract 3
2007	Boustead Salcon Water Solutions Pte Ltd	Bedok NEWater Factory Phase II Extension
2007	Public Utilities Board	Laying of a Twin 900mm Diameter Pipelines from Changi Water Reclamation Plant to Bedok NEWater Factory
2007	Public Utilities Board	Proposed 1200mm Dia Water Pipeline Along Woodlands Avenue 7 and 700mm Dia Water Pipeline Along Woodlands Avenue 8
2006	Public Utilities Board	Supply, Laying and Diversion of 500mm to 1600mm dia Steel Watermains affected by MRT/LTA Construction 2006-2008
2006	Public Utilities Board	Modification and Extension of Pipelines in Jurong Area/Jurong Island – Contract 1
2006	Public Utilities Board	Replacement of Two Nos Butterfly Valves
2005	PowerGas Ltd	Bulk Excavation, Supply & Laying of Gas Mains & Services & Reinstatement of Road Trenches in Area 1
2005	Public Utilities Board	Mandai Feeder Tank Modification Works
2005	Public Utilities Board	Proposed 900mm Diameter Raw Water Pipeline from Turf Club Avenue to Upper Seletar Reservoir and Ancillary Works for Reservoir Integration Scheme
2005	Public Utilities Board	Replacement of Industrial Water Mains – Phase 3
2004	PowerGas Ltd	Bulk Excavation, Supply and Laying of Gas Mains and Services and Reinstatement of Road Trenches in Area 3
